

# 2010 Nebraska Energy Fair

## Lyons, NE

### July 23rd & 24th

## July 23, 2010

### Nebraska Energy Fair Bus Tour

[www.cfra.org](http://www.cfra.org) or [stephanief@cfra.org](mailto:stephanief@cfra.org) for more info

**8:00**—Half bus tour to observe an on-farm alcohol plant. This portion of the tour is limited to 15 so we will take one half of the attendees before the full tour begins and the other half of the attendees once the full tour is completed.

**9:00**—Full bus tour to begin at the station in Lyons (located across the street from the Lyons Save More Market grocery store):

Nebraska Screw Press, Tour of the Station, Renewable Energy Farm, Solar Installation, Five Turbines, Solar Water, commercial methane digester, Observe sustainable farming methods in action

**5:00**—Second half of bus tour to go to on-farm alcohol plant

## July 24, 2010
